

## Mobile Sales Application Requirements

Rainforest utilizes a customized mobile sales platform intended to increase up-selling opportunities across our independent account base. This platform also allows for online ordering direct from customers.

In order for your product(s) to be available on the platform, please submit the following per the instructions at <https://www.rainforestdistribution.com/AB-Onboarding>:

- (1) Picture of each product that Rainforest carries.
- (1) Picture of each product line(s) as a group (this will be used for promotional marketing)
- (1) Picture of each product's nutrition label
- (1) Picture of each product's ingredients list

### Image Requirements:

- Resolution must be 72dpi
- File types must be JPG
- Images must be compressed to be in the 100kb - 400kb range
- Images must be a minimum of 500 x 500 pixels
- Must be saved in RGB color space

### Naming Requirements:

- Each file must be named for their 12-digit UPC code (e.g. Temple Turmeric's picture of the 12oz Original Elixir would simply be "736211075338")
- For the product line picture, simply name it by the brand name (e.g. "Temple Turmeric")

### Where to send:

- Following the uploading instructions at:  
<https://www.rainforestdistribution.com/AB-Onboarding>

*Please reach out to us for any questions.*
