Vista Hermosa was born inside of Tacombi – a taqueria committed to sharing authentic Mexican taco culture. When we couldn’t find tortillas that met our standards, we started making our own. Known today as Vista Hermosa, we craft a full line of Corn and Flour Tortillas, Totopos, and Frozen Burritos. We follow traditional processes from Mexico and use only a handful of simple ingredients. We source quality, non-GMO ingredients with no preservatives to uphold and celebrate the authentic flavors of Mexico.
